Programme Manual

On 19 July 2011, a new updated version of the Programme Manual was published. The following points in the Programme Manual have been **clarified**:

- § 7 "Publicity and Information Requirements", the information about the 500.000 € public contribution threshold has been clarified in line with the EC Regulations;
- § 9.2.1 "Major modifications without financial impact", some clarifications about the extension of project's duration have been added;
- § 9.2.3 "The 'Request for Changes' procedure", some clarifications about the procedure to follow by projects have been added;
- Annex 12, a new fact-sheet about revenue-generating projects has been added to further clarify the procedure to follow by projects;
- Annex 13, a list of NUTS3 in eligible and adjacent areas is provided.

The amended document including these last clarifications shall be **valid retroactively** for **all approved projects** in the framework of **all calls for proposals** launched by the INTERREG IVA 2 Seas Programme in the 2007-2013 programming period.

The revised version of the Programme Manual, dated 12/07/2011, is from now on available on the Programme web-site at the following address:
